# IMAGINE ALL THESE

I need to draw up a will, appoint executors to the will, to prevent intruders from taking over my assets on my demise while my children, wife, aged parents suffer **(WILLS ADMINISTRATION)**

But then, I am scared of drawing up a will for it reminds me of that dreaded enemy- “death”. Yet, I don’t want my wife & children to suffer. Our living trust services which is an alternative to will ensure transfer of assets to your loved ones while still alive. It is probate free, guarantee secrecy and remove bureaucratic bottleneck involves in wills administration **(LIVING TRUST)**

I have some precious documents I need to keep e.g. certificates, title documents, jewelries, etc to ensure that they are adequately protected **(CUSTODIAN SERVICES)**

Yes, I have someone, somewhere I want to cater for but no one must know this. (**SECRET BENEFACTION**)

Oh, I just have to keep this investment /transaction secret I don't want to be identified with it . (**NOMINEE SERVICES**)

I have children who, I want to be sure of their sound education now and in future even in the event of my death. (**CHILDREN EDUCATION TRUST**)

I have so many assets and I don't have enough strength and time to manage them. **(AGENCY SERVICES)**

I want to take care of the less privileged members of the society with my resources **(TRUST SETTLEMENT)**

I need to set up a foundation to immortalize my late precious Mother **(ENDOWMENT SCHEME).**

I am a state/local government and I want to raise money from the public **(TRUST FOR BONDS)**

I'm thinking of motivating my staff either through equity holding in my company or payment of lump sum (gratuity) while they are leaving. **(GRATUITY SCHEME MANAGEMENT/TRUST OF EMPLOYEE SHARE OWNERSHIP SCHEME)**

My job/way of life entails some risks that could lead to some form of serious disability. **( PERSONAL SAVINGS PLANS )**

I am a fund manager and I want to float a unit trust scheme/mutual fund **(TRUST OF UNIT SCHEME/MUTUAL FUND)**

My company needs to access fund from bank and they cannot provide all the money I ask for (single obligor limit), yet, they want to hold on to my title documents as collateral and cannot bring other banks in who are ready to assist  
We are able to assist you to create multiple interests on the asset whilst holding it in trust for the Lenders.  
**(TRUST FOR LENDING/BORROWING)**

My company has so many exposures to different banks spread all over but I want all these consolidated into one for convenience and rather than being answerable to individual banks/financial institutions. **(TRUST FOR DEBENTURE)**

**In all these cases and other instances, our various trust services/products provide answers to your agitation. We enter into a trust arrangement with the client while we help to address these issues. The process is simple and straightforward.**

## **FEES**

Our fees for these assignments are moderate and usually agreed with the customers.
